**WHEREAS,** the City of San Antonio is the owner and operator of San Antonio International Airport; and

**WHEREAS,** the Aviation Department undertook a re-engineering study in 1999 with the objective of improving operating cost efficiency, revenue enhancement and customer services; and

**WHEREAS,** after the re-engineering study, the user/security fees were adjusted by Ordinance Number 94589 of September 20, 2001; and

**WHEREAS,** Federal Aviation Administration ("FAA") Airport Security Regulations require each person applying for an Airport Security Badge to be fingerprinted and have an FBI Criminal History Records Check; and

**WHEREAS,** Ordinance 95343 of February 21, 2002 authorized a fee to recover the cost of fingerprinting and the required FBI Criminal History Records Check; and

**WHEREAS,** the existing security fees do not currently allow the Aviation Department to recover the costs associated with the accountability requirements of the security access ID system, security violations monitoring, and key control, as required by the Airport Security Program (ASP); and

**WHEREAS**, the Transportation Security Administration has mandated that the Aviation Department initiate corrective actions to decrease the number of tenant and concessionaire security violations, and instances of non-compliance with the ASP; and

**WHEREAS**, in order to encourage airport employees, tenants, and concessionaires to comply with the ASP and reduce security violations it is necessary to implement new security fees;  
**NOW THEREFORE:**

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:**
